

## ALZHEIMER'S GRANT TIMELINES ARE EXTENDED

The timelines for submitting or amending Requests for Proposals (RFP) to provide respite care pursuant to the Alzheimer's Disease Demonstration Grant to States (ADDGS) are extended as follows:

<b>Proposals Due (six copies)</b>	<b>5:00 PM on February 10, 2006</b>
<b>Contract Award</b>	<b>February 17, 2006</b>
<b>Contract Implementation</b>	<b>February 22, 2006</b>

No requirements for the grant have changed.

For those who have already submitted a proposal, there is no need to re-submit unless you choose to make amendments. If a prior proposal is amended, six complete copies of the amendments and related materials need to be re-submitted for review. For those interested parties who have not previously submitted a proposal, please refer to the RFP at <http://www.dphhs.mt.gov/sltc/index.htm>.

If there are questions about the grant or the grant process, please contact Traci Clark at 444-6995 or via email at [trclark@mt.gov](mailto:trclark@mt.gov).
